Foreign Liquor Rules

subject. Issue of Licenses to Chemists and Druggists to sell Foreign Liquors and medicated preparations therefrom

Excise Commissioners letter No. 4045/382 (18) dated 16th March 1895 mixing up two such separate heads, I Foreign Spirits with II "Methylated Spirits" and requesting they be included in the same Notification

I) Foreign Spirits and II) Methylated Spirits fall under two distinct heads for

I do not know if this alteration of a rule prescribed under powers given by an Act can be called a measure of legislation. If so, it has to go before the Council.

Foreign Liquor Rules

(1)

for which separate files
have been kept in this office
and much confusion
and trouble have
been avoided by mixing
up the two heads. This
Note (A) deals
with (I) "Foreign Liquors".
I have prepared
another marked (B)
for (II) "Methylated Spirits".

2. I have been to two
of the largest firms
of Chemists in the
Station as per
margin. The 2d also
have a shop in the
City of Bangalore.
and they gave me
distinctly to
understand that if

(1) Messers Foster & Co
(2) " Captain & Co

(1) Brandy – one ordinary quart bottle.
(2) Sherry wine – Do
(3) Orange wine Do
(4) Imperial Govt. rectified Spirits } Five Gallons

of they are given the
spirits named in the
× margin and allowed
to retail them in
medicinal preparations
or bonâfide medical
prescriptions, then
will be ample. The Govt
Govt wants to add 9 kinds of
spirituous liquors to the list!
3. These two Chemists
further
added that the import
of medicated prepa-
rations is costly and
with a few exceptions
most of such prepa-
rations are made
up by themselves
now. For this purpose
pure rectified spirits
from the Govt Central
Distillery to the extent
of 5 Gls will suffice

4. As in the case of Opium and Ganja any preparation of these drugs can be sold. I do not see therefore why spirituous preparations of any of our medicines should not be made and kept in stock, if the holder has a License to possess and sell the spirit which such prescriptions are sent in for compliance. No separate N.S.Fee is sugd. I have simply added a clause in the Lic: to meet this point.

5. I may here add that to grant Chemists and Druggists such large powers as those proposed by the Excise Comrs with such a long list of Brandies including Burgundy

such a small fee of
Rs 5/- would be simply
unequal to the regularly
licensed foreign Liquor
Shop-Keepers who have been
so heavily taxed for
sale of foreign Spirits.
It is not desirable to
make our Chemists
~~Shops~~ grog-shops
to sell raw spirits
ad lib both day and
night- all night too, and I have
been given a hint
that is just what the
new rules will legalize
their doing. I think some
parties want them.
6. The present elaborate
Licenses for foreign Liquors
I consider unnecessary
and unneeded for the
use of our Chemists
and

and Druggists and
therefore appended
a "Special Licence"
with a few necessary
provisions, and a draft
Rofu, with draft Provs,
to the Excise Comrs, for
approval of Govt which
I trust will Commend
themselves for adoption.
7. The Rofu sent up by
the Ex. Court is for the
reasons given under
para 1 of this "note" is
unsuited and does
not fully meet the
object aimed at, while
the absence of a proper
Licence militates
against the practical
application thereof.

The Macdonell Clerics & Merck that this "exemption may be ruled as a clause in the Licence. But this will not reach all persons ~~that~~ intended & be benefited by the exemption. Subject:- Form of Occasional License" for the sale of Foreign liquor at refreshment stalls in connection with public entertainments.

Last reference:- Excise Comm. No: 3974/296 D/9/4/96

Under Govt: Notification No 18968/R.7.119-93 D/5th May/94, occasional licenses for sale of liquor at public entertainments were allowed to be granted, and the form prescribed was the same as that in force for the Refreshment room license. The Excise Comm. is apparently of opinion that this form needs alterations in the case of the "Occasional license" and has submitted a revised one for approval. The difference between the old and the new forms is as follows:-

Condition	Difference.	Remarks
I	The words "in every way" after "to conform" and "for the time being" after "in force" have been omitted.	The alterations may be ~~accepted~~ approved with the exception that the words "for the time being" may be re-tained
Do.	The words "to all Rules framed by the Govt. of H.H. the Maharaja ~~of Mysore~~ under Section 55 of the Excise Act &c" are replaced by "the rules framed and issued hereunder from time to time"	May be approved as the amendment will include also Rules under sections other than section 55 of the Act
II (a)	For the words "Foreign Spirit, or foreign spirit and foreign fermented liquor, or foreign fermented liquor as the case may be" only "Foreign Spirit and foreign fermented liquor have been used"	The amendment is in accordance with Rule X as sanctioned in Notification No: 18968 / R.T 119-93 dt 15/5/94.
Do.	The clause, that the deputy Commr. is at liberty to add to or otherwise alter the list of brands that the vendor is allowed to sell, has been omitted	As the license will generally be for a short period, the clause seems unnecessary.
II (b)	"Added to or altered as above" has been omitted.	This is omitted as the provision for addition or alteration of the list has been omitted.
III.	"Except as provided for in Condition XI" has been struck off.	This is done as condition XI of the old license, itself has been struck off.
Do.	"In the case of foreign spirits, the maximum quantity to be sold to any one individual at a time shall be two drams" has been omitted.	The clause seems unnecessary so as to place a restriction on the quantity to be consumed by a person at a time. It is restricted to 2 drams in the case of Refreshment Rooms.

Condition	Difference	Remarks
IV(2)	"or a member of the Excise Executive Staff" has been added	May be approved
V	has been modified to provide for an open stall in place of a shop.	Do
IX	The specification of "9 P.M." and "6 A.M." has been omitted; as also "and shall be kept open from 8 A.M. till 9 P.M."	The amended rule may run as follows:— "The aforesaid stall shall be kept open from ——— till ———"
Conditions X & XI of the old license	have been struck off in toto.	As the license is to be of a temporary nature, these conditions seem unnecessary.
Condition XV or Condition XIII in the new draft	"31st March 18—" has been omitted.	May be approved. The Deputy Commr will fix in each case the period for which the license will be in force.

Sir,

With reference to the accompanying Petition from Messrs. Respected Sir,

We most respectfully beg to submit the following to your honour's kind consideration and favourable orders

We very frequently receive prescriptions from doctors which require us to add, in many urgent cases, wines, spirits &c to the medicines we are asked to supply. But as we hold no license for wines, spirits &c, we are unable to execute such prescriptions.

Further, your honour is aware that certain diseases assume a serious turn at nights and patients are in danger. At such hours, the doctor prescribes certain stimulants, as wines or spirits and we are unable to supply the same as we are not authorised to sell them and excise Rules forbid us having such in our stock. The consequence is, patients suffer; and our

object to afford relief to the suffering humanity, is defeated. We, therefore, solicit your honour to be pleased to make some provision for Chemists to sell wines, spirits &c, similar to the provision made for the sale of opium. For this act of kindness we shall ever be grateful.

We beg to remain,

Excise Commissioner's Office
Bangalore, 26th March 1895

From,

The Excise Commissioner

To,

The General Secretary to the
Government of Mysore,
Legislative Department

Sir,

In reply to the Officiating Chief Secretary's docket No. 15648/R.2252, dated 22nd/25 instant, forwarding me a revised draft Notification embodying rules framed under the Excise Act for the grant of licenses to approved Chemists &c for the possession and sale of certain rectified spirits, and requesting my opinion on the provisions therein laid down, I have the honor to submit the following opinion:—

(1)

(1) The rules which the Government are authorized to make under clause (c) of section 12 of the Excise Act, relate to the manufacturers of Country Spirit or Country fermented liquor. Therefore section 12 which has been inserted in the preamble of the above draft, does not apply to the present purpose.

(2) Rule X does not exist in Government Notification No: 31, dated 9th May 1889; but it was introduced by Notification No: 1896 B / R.F. 119-93, dated 5th May 1894. Therefore the wording of para 1 should be as in my draft.

(3) Besides, the rectified spirits of Mysore, the Chemists and Druggists are in need of such genuine (2) Foreign liquors as Bisquet Brandy, Duvalets Portwine &c to comply with the prescriptions of Medical Practitioners

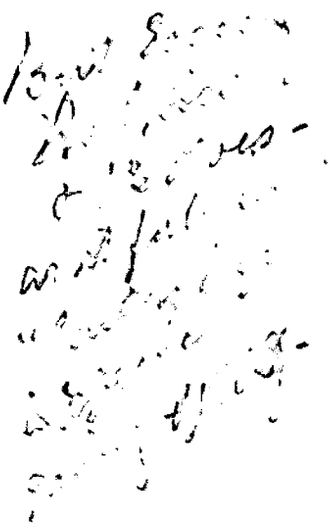
I referred to the books of Messrs Shriens & Co and found such liquors in some of the prescriptions. Under such circumstances, Chemists and Druggists have to keep various kinds of Spirits and wines. They may be limited to one imperial gallon of each kind. The Madras rule also does not restrict them to the locally manufactured rectified Spirits

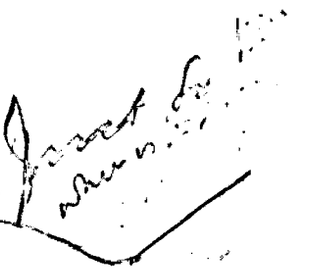
(4) The Chemists and Druggists at the cities of Bangalore and Mysore do not do such good business as at Madras. It is therefore considered that an annual license fee of Rs 5/- is sufficient for the present.

(5) Act XVI of 1863 provides for the issue of rules by Government only in regard to ascertaining and determining that Spirits to be removed from

from a Distillery have been rendered unfit for human consumption. Such rules have been published under Government Notification No: 12981 / R.F. 208-92, dated 27th January 1893.

This Act does not provide for the issue of licenses or for framing rules on the subject. But as the Methylated Spirits rendered unfit for human consumption under the said Act XVI of 1863, have been declared to be Country Spirits for the purposes of the Excise Act XXII of 1881, as per Rule XXXIII in Government Notification No 495, dated 30th March 1892, the possession and sale there of have to be regulated by the provisions of the said Excise Act. Therefore Methylated Spirits have been included in my draft





Income

2. Under the above circumstances, I beg to submit that my draft which has been prepared to suit the local wants and conveniences, may be approved and published.

Received with Govt. letter

3 In section 71 of the Madras Abkari Act, Special provision exists exempting medicated articles from the provisions of the Act. But no such provision exists in the Mysore Excise Act Hence the necessity for a separate Notification under Section 56 of the Excise Act to exempt medicated Spirits and wines from the operation of the provisions of the said Act

4 I embrace this opportunity to invite attention to my letter No 3397/316, dated 6th ultimo, and to state that the parts of the Fort St George Gazette applied for therein, have not yet been sent to me

me; and therefore I cannot refer to the Gazette quoted in the docket under reply.
